

**KUMBRA**  
YACHTS

**KUMBRA 34**

## Kumbra concept

Kumbra Yachts is a new brand of walkaround day boats with a **fresh, disruptive** image promoted by the **Next Gen** of boating. We devise, design and create **high-quality** vessels renowned for their **elegant, bold,** and **functional** designs. What's more, they represent excellent value for money to make

boating affordable for more people. We also aspire to be pioneers in transforming the customer **experience**, making it more engaging and **personalised**.

**Will you join us in this new era?**

## From Sailors to Sailors

When you're at sea, you know it's not just about sailing; it's about enjoying every last mile. The sea offers infinite possibilities for **rich experiences**, and at Kumbra, we are dedicated to discovering them all.

That's why, after three generations of navigating the waters, we have

decided to create a **new way of thinking, designing, and producing boats, drawing inspiration from our sailing experience to enhance yours.**

That's where From Sailors to Sailors comes in. It's more than a motto: it's the philosophy that's **taking us to new horizons.**

## Customer-centric vision

We design from the inside out, applying a design thinking approach that teaches us how to improve your experience as a sailor. Then we make it happen.

## Passion for details

Every last centimetre of the Kumbra 34 reflects our non-conformist DNA. Because if it isn't designed with total precision, it isn't a Kumbra.

## Genuine quality

The quality of the Kumbra 34 is measured by its performance, durability, and style. If it doesn't have these features, it isn't a Kumbra. Because we want you to enjoy worry-free boating.

## Signature style

Modern and with character, yet for us, it is bold elegance that reflects our personality in design. Recognisable, disruptive designs are Kumbra's signature style.

# Design and comfort

01

Designed to allow you to enjoy the day to the fullest

Outdoor spaces are designed to maximise comfort with matchless quality and convenience.

02

Walkaround design

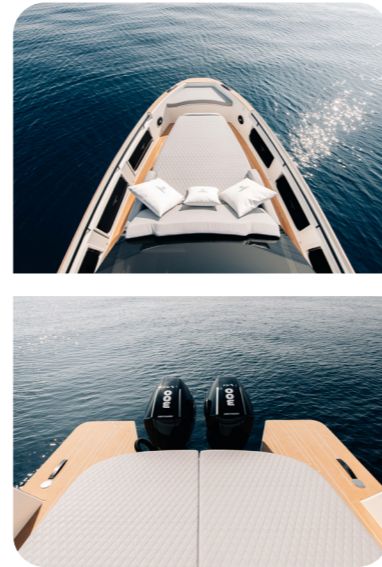

Wide, high corridors for guaranteed safety and ease of movement.

03

Spacious swim platforms

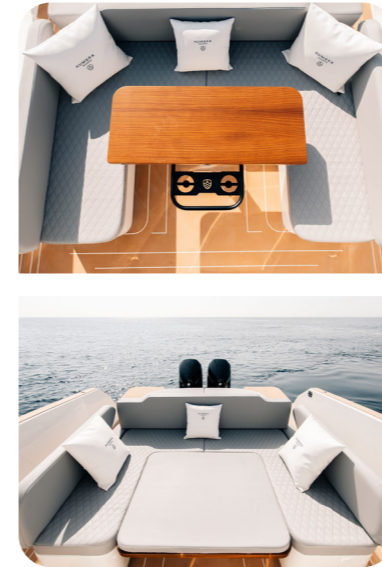

Large platforms for multiple people and on the same level. Passageway between the engines and the sun deck to facilitate easy onboard access.

04

Double sun deck, double comfort

Sun deck spaces at both the bow and stern, a rare feature in boats of this length.

05

Optimised dining area

U-shaped area with space to seat six to eight people in comfort, with the option to convert it into a solarium.

06

Upholstery

Heat-resistant, easy-to-clean fabric manufactured with sustainable materials.

07

Bow compartments for fenders

Six compartments are designed for practical, good-looking storage.

08

Equipped with the latest technology

Equipped with the latest technology. We integrate the perfect devices to streamline navigation.

# Inside

### Efficiently utilised interiors

Double bed that converts into a sofa and two spacious single beds at the stern.

### Independent bathroom

Independent bathroom with washbasin.

### Smart connectivity

We incorporate automated systems to make the experience more convenient and personalised.

# Feel the emotion

### Superior stability

Its generous beam ensures stable, safe sailing.

### Fast planing

It achieves planing quickly, ensuring a smooth, comfortable experience.

### Optimal efficiency

and low fuel consumption allow you to enjoy every journey with maximum independence.

### Sense of grandeur

Its high freeboards convey control and superiority on the sea.

## Kumbra DNA

01

*Without limits*

We face challenges with audacity and courage. Always with determination and conviction.

02

*Genuine*

We are true to our beliefs. We enjoy every moment with intensity and passion.

03

*Non-conformists*

Constant in the innate search for excellence. Aspiring to be more and better.

04

*Youthful spirit*

We embrace a young spirit that makes us live life with energy, enthusiasm, and vitality.
